

## Week One: Faith

*Faith – “belief in, devotion to, or trust in somebody or something, especially without logical proof”*

Faith is foundational for all we will learn and discuss in this study. It is the essence of who we are, who we will become, and a required ingredient for true healing. I will be using the New King James Version unless otherwise specified.

### **DAY 1: BY FAITH**

<sup>2</sup> THESSALONIANS 1:11-12

*Therefore we also pray always for you that our God would count you worthy of this calling, and fulfill all the good pleasure of His goodness and the work of faith with power, that the name of our Lord Jesus Christ may be glorified in you, and you in Him, according to the grace of our God and the Lord Jesus Christ.*

Please stop and pray this prayer.

Dear Heavenly Father,

I am about to read Your Word, and I desire to fully understand what You want me to hear. Please clear my mind, and prepare me to receive Your words. Thank You that Your Word changes me and my life for the better. In Jesus name I pray. Amen.

Today we will spend our time in Hebrews 11 which is near the end of the New Testament. Hebrews 11:1 is the Lord's definition for faith. Please write it below.
